Terms and Conditions of Sale

TERMS:

Deltana agrees to sell to Buyer, on an open account, COD or prepaid basis at Deltana's sole discretion, such goods as Deltana has available at its then current sales price. Outstanding balances accrue interest from the date of the invoice at the highest rate permitted by law until paid in full. The risk of loss for all goods shifts to Buyer at the location of Deltana's warehouse. Buyer shall pay all of Deltana's costs, which shall include attorney's fees, associated in any way with enforcement of the Agreement, at all levels of proceedings, including appeals. Buyer waives trial by jury, consents unconditionally to jurisdiction in the State of Florida, agrees that all legal proceedings relating to any matter arising or related to the Agreement must be filed in Miami-Dade County, Florida, and agrees that any such proceeding shall be governed by Florida law.

PRICING:

List prices, customer discounts and net prices are subject to change without notice. All shipments will be invoiced according to current prices in effect at time of order. All prices shown in the price list are in U.S. Dollars. Deltana is not responsible for misprints or typographical errors. Deltana reserves the right to discontinue or change specifications on any item without notice and without incurring any obligation. Additional transaction costs to Deltana such as bank transaction and currency exchange fees from either the Buyer's bank and/or Deltana's bank, are the liability of the Buyer and will be applied as appropriate.

DELIVERY:

All goods are shipped "F.O.B. Miami: Deltana Warehouse." Full freight will be allowed on shipments with a minimum net invoice of \$500.00 to destinations within the contiguous United States. Full performance by Deltana shall be deemed to have occurred upon shipment from Deltana. Out-of-stock items will be back-ordered unless otherwise noted by customer. Deltana reserves the right to select the final carrier for any shipment. Shipments will be made to the common carrier in good condition. When delivered to the carrier, shipments become the property of the purchaser who assumes the risk of loss or damage in transit.

CLAIMS & RETURNS:

Authorization for the return of items is at the full discretion of Deltana. Buyers of record must make all claims for damages and shortages to Deltana within 5 days of delivery. Deltana will not accept returned goods without express authorization from Deltana's return department. All products returned must be in good and original condition according to Deltana standards and will be credited to the customer's account, less a 20% restocking charge. All returned goods must be shipped FREIGHT PREPAID.

PAST DUE ACCOUNTS:

Invoices not paid within our terms of 10 days will be subject to a service charge of 2% per month. A 24% per annum service charge will be added and compounded each month thereafter until said amount is collected. Buyer agrees to pay attorney's fees incurred by Deltana in collection of overdue accounts.

MAP Policy

To ensure the viability and profitability of our products for our customers, Deltana has a Minimum Advertised Price (MAP) policy to protect the market. Advertised prices for all Deltana products must not have a discounted price deeper than 25% off of Deltana's active list price. This policy applies to all advertised prices including, but not limited to, catalogs, printed advertisements, promotional mailers, catalogs, faxes, radio and all electronic media including websites.

Please note that customers are free to sell Deltana products at any price they wish above or below our list price as long as it is not publicly advertised below the discount limit. Specially tailored quotations and/or in-store advertising that are not distributed outside of the store will not be affected by this policy.

In the event that this policy should ever be breached, Deltana reserves the right to discontinue business with that company.

General Limited Warranties

These warranty policies supersede all previously published policies.

GENERAL PRODUCTS:

Deltana products come with a 1-year mechanical warranty that they are free from mechanical defects from date of original purchase when properly installed and used for the purpose specified by Deltana. Deltana does not assume any obligation other than replacement or repair of the defective part or parts upon inspection, along with proof of purchase during the warranty period. Deltana does not assume any responsibility for damage caused by accident, misuse, misapplication, temperature or weather conditions, improper storage, abuse, neglect, improper installation or maintenance. Deltana is also not liable for any labor charges, removal, reinstallation, freight, postage or any damages resulting from any product. Deltana is not liable for any damages caused by mis-preparation of hardware caused by print and/or website materials, line drawings and instruction errors.

STAINLESS STEEL AND PVD FINISHES:

Deltana's PVD (CR003) finish and stainless steel products are warranted for 1 year not to tarnish, discolor, flake, peel, pit, or corrode within normal environmental conditions such as dry environments and air-conditioned interiors. In high moisture and/or salty environments these finishes require maintenance by wiping the product with a clean, damp cloth periodically to remove build-up and sediments from the environment. Neglect of Deltana's recommended maintenance voids product finish warranty.

DOOR CLOSERS:

Deltana door closers come with a 5-year mechanical warranty.

DELTA COMMERCIAL DOOR HARDWARE:

Grade 1 & 2 Commercial Hardware come with a 5-year mechanical and 1-year finish warranty with exception to normal wear and tear.

DELTA RESIDENTIAL DOOR HARDWARE:

Deltana residential hardware comes with a 3-year mechanical and 1-year finish warranty with exception to normal wear and tear. Deltana residential hardware is designed for interior / indoor applications only except for handlesets and deadbolts.

Solid Brass Hinges & Finials

	Pages
About Deltana Solid Brass Hinges.....	1 - 2
Solid Brass Hinges.....	1 - 4
Wide Throw Hinges.....	1 - 7
Solid Brass Finials.....	1 - 7

- Hinges are sold in pairs. Finials are sold per each. 1 pair of hinges requires 4 finials.
- Custom NRP available.
- Custom finish plating available.

SPECIALTY HINGES & FINIALS

Deltana solid brass hinges are available in an array of finishes with superior luster and shine. They are resistant to oxidation and can also be custom-plated in any finish.

Deltana solid brass hinges come standard with button tip finials, stainless steel barrel pins, true solid brass screws and can be upgraded with our beautiful selection of decorative finials.

Hinge Option Codes

CODE	DEFINITION
HD	Heavy Duty Thickness, Architectural Grade
-R	Residential Grade
-RZ	Residential Grade, Zig Zag hole pattern (Non-Template)
STD	Standard Square Corners
NRP	Non-Removable Pin (Security for out-swinging doors)
BB	Ball Bearing
NRP/BB	Non-Removable Pin / Ball Bearing (N/B)
R4	Radius (1/4") Round corners
R5	Radius (5/8") Round corners
UNL	Unlacquered Finish (No clear coat)
FINIALS	Decorative Tips for brass hinges. Available in matching finishes.

Deltana Crown PVD Finish (CR003)

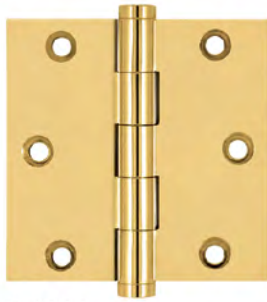

DELTA CROWN PVD finish has the appearance of polished brass but without the ordinary problems of easy tarnishing, discoloration, flaking or pitting commonly associated with a standard polished brass.

DELTA CROWN PVD finish is a titanium PVD process that does not utilize a clear coat.

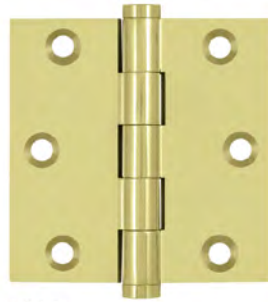

DELTA CROWN PVD finish is warranted not to tarnish, discolor, flake, peel, pit, or corrode for 1 year.

For high-salt environments, finish must be maintained by wiping with a clean, damp cloth periodically.

How to Determine the Radius of a Hinge

To determine if you have 1/4" or 5/8" radius corner hinge, measure the beginning of the curve to where the corner of the hinge would be if it were square.

Location of Hinge on the Door

Upper hinge 5" from top jamb to top edge of barrel.

Bottom hinge 10" from bottom edge of barrel to finished floor.

Middle centered between top and bottom hinges.

Check out Deltana's corner chisel tool. See 12 - 4

How to Select the Proper Hinge Size

To choose the proper hinge size consider the following:

Thickness of Door	Width of Door	Height of Hinge
1-3/8" Door	To 32"	3-1/2"
1-3/8" Door	32" to 36"	4"
1-3/4" Door	To 36"	4-1/2"
1-3/4" Door	36" to 48"	5"
1-3/4" Door	Over 48"	6"
2", 2-1/4", 2-1/2" Door	To 42"	5" Commercial
2", 2-1/4", 2-1/2" Door	Over 42"	6" Commercial

Number of Hinges per Door

As a general rule you will want to use 1 hinge per every 30" of door or fraction thereof. Referring to door height:

Doors up to 60" need 2 hinges. Doors over 60" but not over 90" need 3 hinges. Doors over 90" but not over 120" need 4 hinges.

Hinges / Full Mortise / Extruded / Solid Brass

About our Finials

All Deltana standard decorative finials are available in matching finishes and fit best on our hinges sized 3-1/2"x 3-1/2" ~ 5"x 5". They can be installed interchangeably on all Deltana solid brass door hinges except for 6"x 6" hinges, which have their own part number "DSBTL"

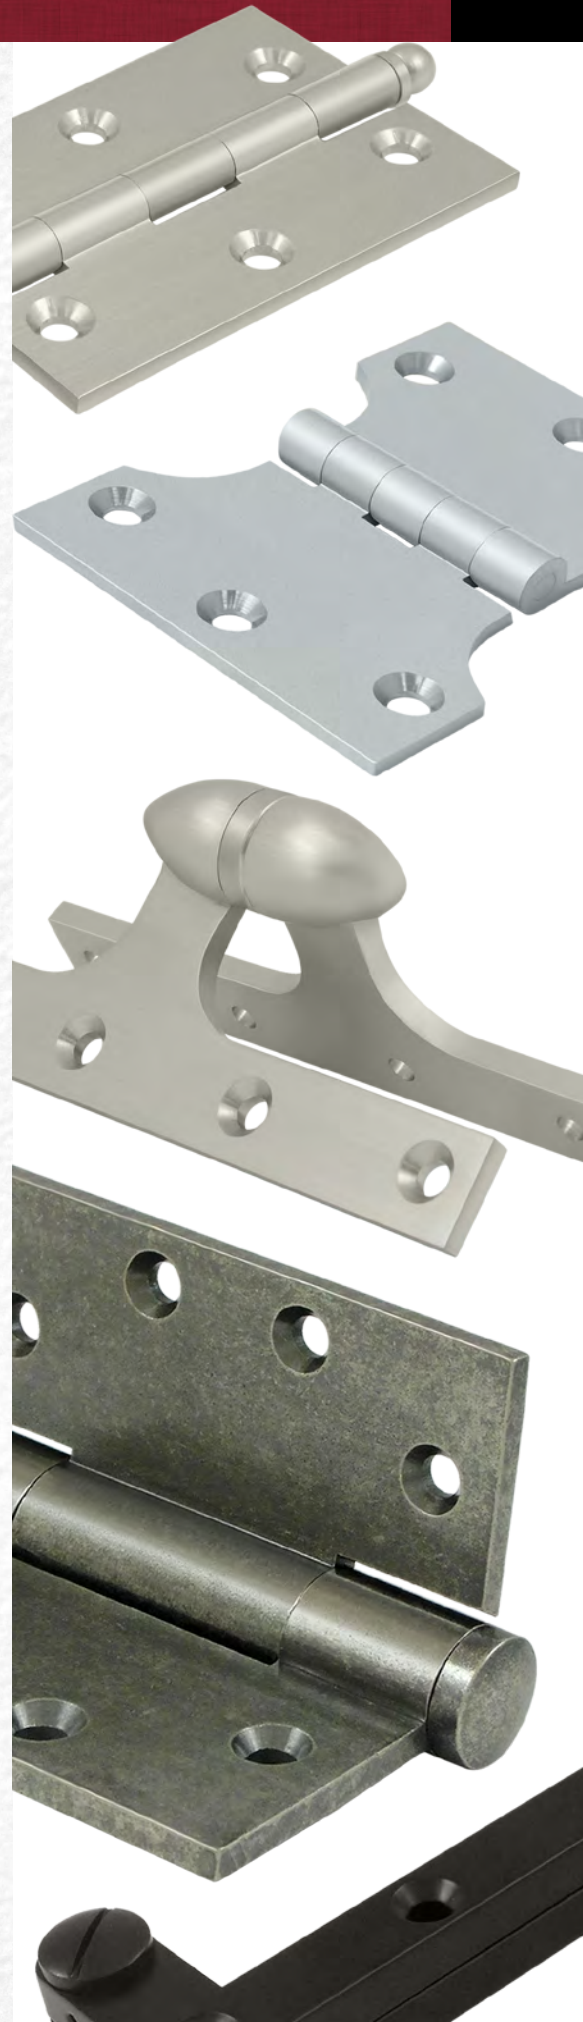

DSBU

Note: You need 4 finials for every pair of hinges.

Additional button tips are available. See Section 12 - 4.

Built-in needle bearing for higher weight capacity.

PH60 Installation Instructions

1. Disassemble the pivot as shown by unscrewing the side set screw.
2. Mortise the threaded pivot leaf at the bottom of the door.
3. Mortise the bearing pivot leaf into the floor.
4. Place the washer between the two leaves and thread the pivot pin down.
5. Secure installation by tightening the set screw.

All Pivot Hinges are sold in pairs. One pair contains one Left and one Right pivot hinge.

The PH60 design has universal / reversible handing.

How to Determine the Radius of a Hinge

To determine if you have 1/4" or 5/8" radius corner hinge, measure the beginning of the curve to where the corner of the hinge would be if it were square.

Location of Hinge on the Door

Upper hinge 5" from top jamb to top edge of barrel.
 Bottom hinge 10" from bottom edge of barrel to finished floor.
 Middle centered between top and bottom hinges.

Check out Deltana's corner chisel tool. See 12 - 4.

How to Select the Proper Hinge Size

To choose the proper hinge size consider the following:

Thickness of Door	Width of Door	Height of Hinge
1-3/8" Door	To 32"	3-1/2"
1-3/8" Door	32" to 36"	4"
1-3/4" Door	To 36"	4-1/2"
1-3/4" Door	36" to 48"	5"
1-3/4" Door	Over 48"	6"
2", 2-1/4", 2-1/2" Door	To 42"	5" Commercial
2", 2-1/4", 2-1/2" Door	Over 42"	6" Commercial

Number of Hinges per Door

As a general rule, you will want to use 1 hinge per every 30" of door or fraction thereof. Referring to door height:

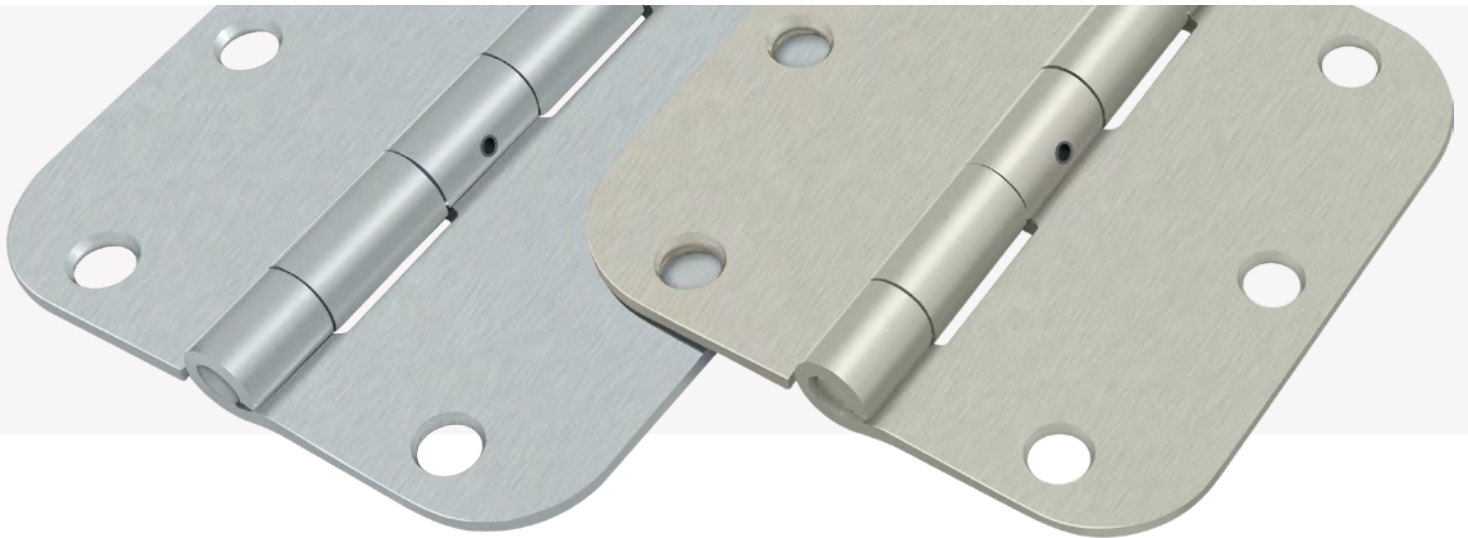

Doors up to 60" need 2 hinges, doors over 60" but not over 90" need 3 hinges and doors over 90" but not over 120" need 4 hinges.

NRP

A hinge equipped with a non-removable pin cannot be disassembled without first opening the hinge to reveal the set-screw embedded perpendicularly on its inside face.

These are commonly found on outswing exterior doors that require their pin barrels to be exposed on the outside of the installation.

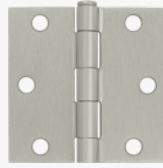

If not available, the NRP feature can be added upon request.

Adjustable to 6" center-to-center.

Instructions to adjust width of pull during installation and avoid scratching.

1. Unscrew the legs completely.
2. Remove set screw to loosen round ring/clamp.
3. Adjust ring/clamp to required width position.
4. Replace and tighten set screw.
5. Reattach legs.

Fits Door Thickness: 1 3/8" ~ 1 5/8"

This is an unfamiliar but useful piece of hardware to lock pocket doors. It is mounted on interior side of a pocket door near the jamb face. When the top half is pushed in the bottom half pops out preventing the door from returning into its pocket.

A strike is provided to protect the jamb. Emergency release is accomplished by drilling a small hole on the exterior face of the door. Insert a thin object into this hole to push the rocker back into the unlocked position.

The Deltana GAMBIT / Solid Brass

HOW TO PLAY

- 1) Everyone antes up one chip.
- 2) Each person takes a turn to spin the Gambit.
- 3) If it lands on "T1, T2 or T3" that means TAKE 1, 2 or 3 out of the pot.
- 4) If it lands on "P1, P2 or P3" that means PUT that amount into the pot.
- 5) If it lands on "AP" everybody put one chip into the pot, in high stakes games match the entire pot!
- 6) Each Round is played until a player lands "TA" or TAKE ALL to finish the round.
- 7) The game is won when all but the last player are out of chips.

List Price: \$9.99

Strikes & Miscellaneous Items.....	14 - 9

- Key alike and master key available.
- 2 3/8" backset latches available upon request.

Commercial Grade Door Hardware Specifications

Strikes

UL Listed ANSI 1 1/4"x 4 7/8" strike standard.
 T-Strikes: 1 1/4"x 2 3/4" sold separately.
 Deadbolts come with a no lip square 1 1/8"x 2 3/4" strike plate.

Cylinder

Solid Brass 6-pin, Schlage C compatible keyway. Pinned 6 with two 6-pin keys standard.

Trim

Grade 1 - fixed through bolts
 Grade 2 - removable through bolts

Latch UL Approved

2 3/4" backset latch included with 1/2" throw. Drive-in latch models also sold for Grade 2. Housing is steel-zinc dichromated finish for rust resistance. 1" diameter bore is required.

*Option of 2 3/8" backset latch is available upon request.

Latch Face Plate

Solid Brass / Stainless Steel 2 1/4"x 1 1/8" standard. 2 1/4"x 1" latches sold separately.

Keying

Keying available for our complete line of commercial door hardware.

Housing

Cold rolled steel and zinc dichromated finish for rust resistance. Door prep is a 2 1/8" bore, with 5/16" holes for through bolts.

Interchangeable Core (IC)

Locks are prepped for a small format IC core, compatible with Schlage, Best, Falcon and Arrow cores. Locks are supplied without cylinder core.

Clutch Function

When locked, the lever turns freely without retracting the latch to avoid damage to the mechanism. All Deltana commercial door hardware has this added function.

Universal Handing.

Door Thickness Range 1 3/8" ~ 2".

Meets ANSI 156.2 Grade 1 & 2 requirements.

Deltana commercial locks and exit devices are made in Taiwan.

Schematic drawings available Online.

		Series Functions and Options		
Outside	Inside	Type	Ansi #	Function Description
		Passage	F75	Always unlocked. Latchbolt operated by lever from either side at all times.
		Bath / Bedroom Privacy	F76	Latchbolt operated by lever from either side. Outside lever can be locked by a locking Push-button located inside, can be unlocked from outside with the emergency release or from inside by turning lever or closing door.
		Entrance	F82	- Turn / Push-button locking: pushing and turning button locks outside lever requiring use of key until button is manually unlocked. - Push-button locking (Auto egress function): pushing button locks outside lever until unlocked by key or inside lever is turned. Deadlocking latchbolt operated by inside lever at all times.
		Classroom	F84	Latchbolt operated by lever from either side. Inside lever is always unlocked. Outside lever can be locked by key from the outside. Outside lever can be unlocked by key from outside or turning inside lever.
		Storeroom	F86	Latchbolt operated by key in outside lever or rotating inside lever. Outside lever is always locked and inside lever is always unlocked.
		Dummy	N/A	Dummy levers and knobs are fixed, they do not have a function other than to aesthetically complete a project or to operate as a simple pull would. They do not turn, operate a latch or have any locking function.

Residential Door Hardware

Grades

Handlesets, knobs, levers and Deadbolts are Residential Grade.

Elite Collection deadbolts are grade 2.

Traditional Collection deadbolts are grade 3.

Installation

Deltana residential door hardware is designed for interior applications except for handlesets and deadbolts. Missapplication voids warranty.

Limited Warranty

3-Year mechanical, 1-year finish limited warranty for residential grade door hardware.

Finish

Deltana Lock products are plated in an array of finishes that are highly resistant to tarnishing.

Backset

Our latches come with adjustable backsets 2-3/8" ~ 2-3/4" standard 2-1/8" bore hole preparation.

Latches

All knobs and levers come packaged with a mortise latch.

Keying / Mechanical

All locks utilize a five-pin system. Knobs and levers are built with a square drive mechanism for added durability. Please read each product model's details on individual keyway compatibility.

Series Functions and Options			
Outside	Inside	Type	Function Description
		Entry	Exterior side can be locked using a key on the exterior or a mechanism on the interior side. Designed for interior use only.
		Privacy	Exterior side can be locked on the interior side. In an emergency, it can unlock from the exterior using a coin or a screwdriver. Good for use with bedroom and bathroom doors.
		Passage	Always unlocked. Latchbolt operated by lever/knob from either side. Good for use with closets and doors that do not require locking.
		Single Dummy	A dummy knob/lever mounts to one side of a door, does not operate, and is designed for doors that do not have a bore hole. Dummies work well for ball catch doors and other applications where a latch mechanism is not needed and the look of a knob/lever is desired.
		Trim Kit	Functional Knob/Lever that pairs with a handleset kit.
