Xpanse® Vinyl & Aluminum Fence

Xpanse fencing, available in both vinyl and aluminum options, offer you the ability to combine unparalleled style and function for your fencing needs. Xpanse is part of Barrette Outdoor Living, one of the largest and most respected fencing manufacturers in the world. As such, Xpanse is able to provide solutions to most all of your fencing needs.

CHOICE

Xpanse fencing has many choices and options available. From choice in materials, such as high quality vinyl or aluminum construction. To choice in styles, such as privacy fence, picket top fence, and post and rail fence. To choice in various installed heights and colors.

FUNCTION

Xpanse fencing is your solution for privacy, pet or child containment, and pool enclosures that meet or exceed pool code requirements, to yard boundary definition for both front and back yards.

PERFORMANCE

Xpanse fencing is unmatched in product performance. All Xpanse fences are backed by an industry leading limited lifetime warranty. Most all of our fence panels are engineered to rack to follow the contours of your yard. In addition, all Xpanse vinyl fences meet stringent wind code requirements, and all aluminum fences are AAMA certified. With over 10,000 hours of salt spray testing, used to accelerate corrosion performance, Xpanse aluminum fencing performs at more than 3 times the industry required standard of 3,000 hours.

®

Whether the setting is modern, traditional, urban or rural, Xpanse Elite Series Vinyl Fencing complements your home while providing privacy, style and security.

Elite Series Vinyl Fences feature a bracketless assembly and detailed craftsmanship. Certain Elite Series panels feature special reinforced aluminum in the bottom rail for added panel stability and protection against wind and weather. With Xpanse Elite, no detail has been overlooked. Individual posts and architectural features have been taken into consideration to satisfy all homeowners.

Xpanse® Select Series Vinyl Fencing offers unparalleled quality and beauty at the best entry-level prices. With several features and profiles, the Select Series provides more options than any other budget-priced fencing system. Every Select Series fence panel is pre-assembled making installation quick and easy.

Form and function have finally come together. Aesthetically pleasing, durable, and easy to install. Xpanse Post & Rail Series fencing has been tested and proven in all environments and has successfully endured.

Boerboel Gate Solutions are strong and dependable, whether it's for security, safety, or convenience. Choose from a variety of hardware options designed to work with your vinyl fence gates.

®
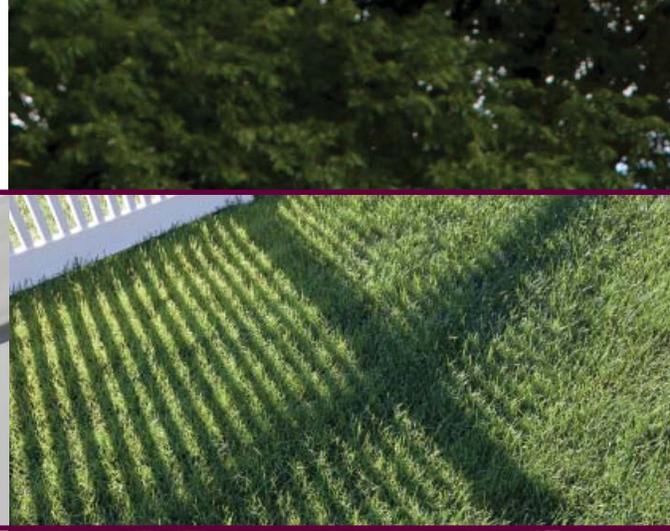

Xpanse® Elite Series Vinyl Fence

At last there's a fencing system with as much personality as the family who enjoys it. Whether the setting is modern, traditional, urban or rural, Xpanse Elite Series Vinyl Fencing is designed to beautifully complement your home while providing privacy, style and security.

Like many custom fences, Xpanse Elite Series Fence features bracketless assembly and detailed craftsmanship. When considering the vast design options in privacy, semi-private, traditional and contemporary picket panels – and coupling them with popular color choices like white and sand – it's easy to see why no two Elite Series vinyl fences are alike.

Each panel arrives in a pre-packaged kit for easy assembly on the job site. Big enough for a tractor or small enough for a private walkway, regardless of the fence style, an Xpanse gate truly welcomes everyone to your home. A unique pool latch and lock are also available for added security and peace of mind. The Xpanse Elite Series features special reinforced aluminum in the bottom rail for added panel stability and strength to protect against damaging wind and weather.

For Xpanse Elite, no detail has been overlooked. Individual line, corner, and end posts and architectural features have all been taken into consideration to satisfy even the most discriminating homeowners.

Safety & Strength

Xpanse® Elite Series

Our Elite Series Vinyl Fence complements your home, providing privacy, security and a luxurious style. Choose from Privacy or Picket styles to create your outdoor living space.

FEATURES + BENEFITS

- Transferable Limited Lifetime Warranty
- No sanding, staining, or painting required
- Can't be attacked by termites or other wood eating pests
- Reinforced aluminum core
- Panels can slope over uneven landscapes
- Uses professional grade profiles and dimensions
- Durable, strong, and impact-resistant
- Long lasting color and finish
- Panels are pool code certified (where noted)

Elite Series Vinyl Fence has pre-routed posts to make installation easy. Each style has line, corner, and end post options routed for that panel style. Elite Series gates come packaged as a kit for a 4' opening for walk gates or for a 5' opening for drive gates.

Line Post   Corner Post   End Post

Each post is routed specific to the privacy panel style to ensure a perfect fit. Lock tabs on horizontal fence rails lock panel securely into posts.

Xpanse® Select Series Vinyl Fence

Xpanse Select Series Vinyl Fencing offers an unparalleled degree of quality and beauty at the best entry level price point. With various features and profiles, Xpanse Select Series provides more options than any budget friendly fencing system. It features two different privacy panels and a picket panel to meet a variety of popular and regional aesthetic tastes. Combine the great looking Xpanse Select Series Vinyl Fence with the Xpanse Vinyl Fence Gate Framing Kit and your neighbors will think you had a custom fence designed specifically for your home.

Every panel is pre-assembled for quick and easy installation and homeowners may choose from two distinctive colors – white and wicker.

Incomparable Value

Xpanse® Select Series

Our Select Series Vinyl Fence complements your home, providing privacy, security and a luxurious style. Choose from Privacy or Picket styles to create your outdoor living space.

FEATURES + BENEFITS

- Transferable Limited Lifetime Warranty
- No sanding, staining, or painting required
- Can't be attacked by termites or other wood eating pests
- Quick and easy to install
- Long lasting color and finish
- Pre-assembled for easy install

Select Series Vinyl Fence comes in pre-assembled panels for easy installation. Choose between total seclusion with privacy panels in white or wicker or a more open picket design. Framed gate kits allow you to create custom width gates that fit your design.

Xpanse® Premier Series Aluminum Fence

Simply put, the Xpanse Premier Series Aluminum Fence is the finest residential and light commercial fencing system available today. Inspired by the architectural design of traditional wrought iron fences that have graced landscapes for centuries, the Xpanse Premier Series captures the strength, beauty and dependability that homeowners have come to expect from aluminum fencing. It offers three different post tops, detailed finials, and butterfly scrolls, ensuring that Xpanse Premier Aluminum Fencing will have the exact look that suits your tastes.

There are two different color options and three different panel styles, including popular flat and picket tops, which seamlessly blend into your home's exterior personality. The height ranges from four to five feet for a variety of applications, and there are two gate styles – arched and straight.
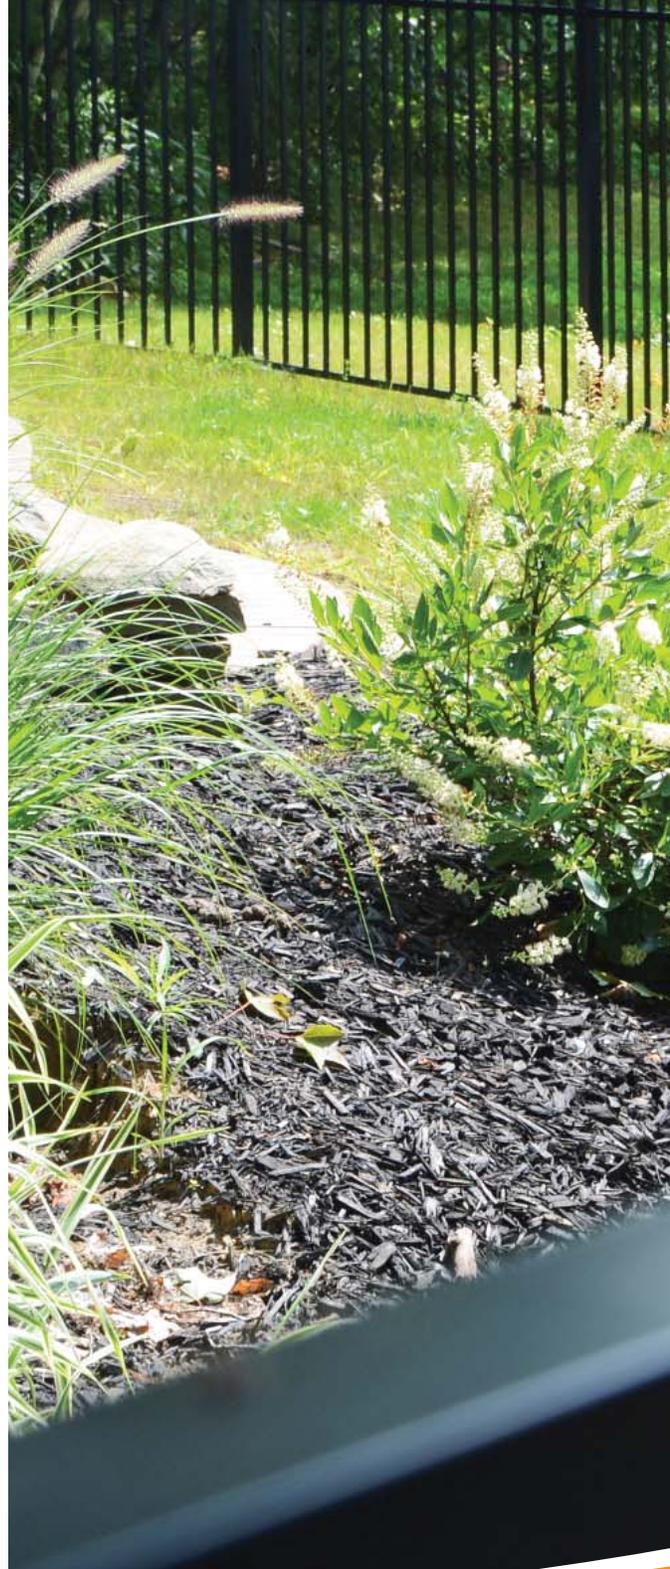

Engineered Beauty

Xpanse® Premier Series

Premier Series Aluminum Fencing includes the very best combination of styling and strength. Featuring larger stronger components. Ideal for residential and light commercial applications. All gates are fully welded for extra strength, include self-closing color matched aluminum hinges and have optional Gravity, Lock and Pool Safe latches.

FEATURES + BENEFITS

- Limited Lifetime Warranty
- Screw-less panels give a clean and finished look
- ICC Pool Code Approved on many sizes
- Stronger and larger components
- High quality aluminum material
- Panels can slope on uneven terrain

Xpanse® Select Series Aluminum Fence

By providing multiple color options instead of just black, as well as several design solutions, the Xpanse Select Series surpasses ordinary aluminum fencing.

This fencing system fits perfectly with a homeowner who wants the beauty, style and security of an aluminum fence, but who may be on a tighter budget.

Engineered with many of the features found in more expensive aluminum fences, the Xpanse Select Series is easy to install and provides long-lasting value, performance and aesthetics. With screw-less panels, installation is quick and easy, giving the fence a better finished look and excellent performance characteristics.

Exceeding Expectations
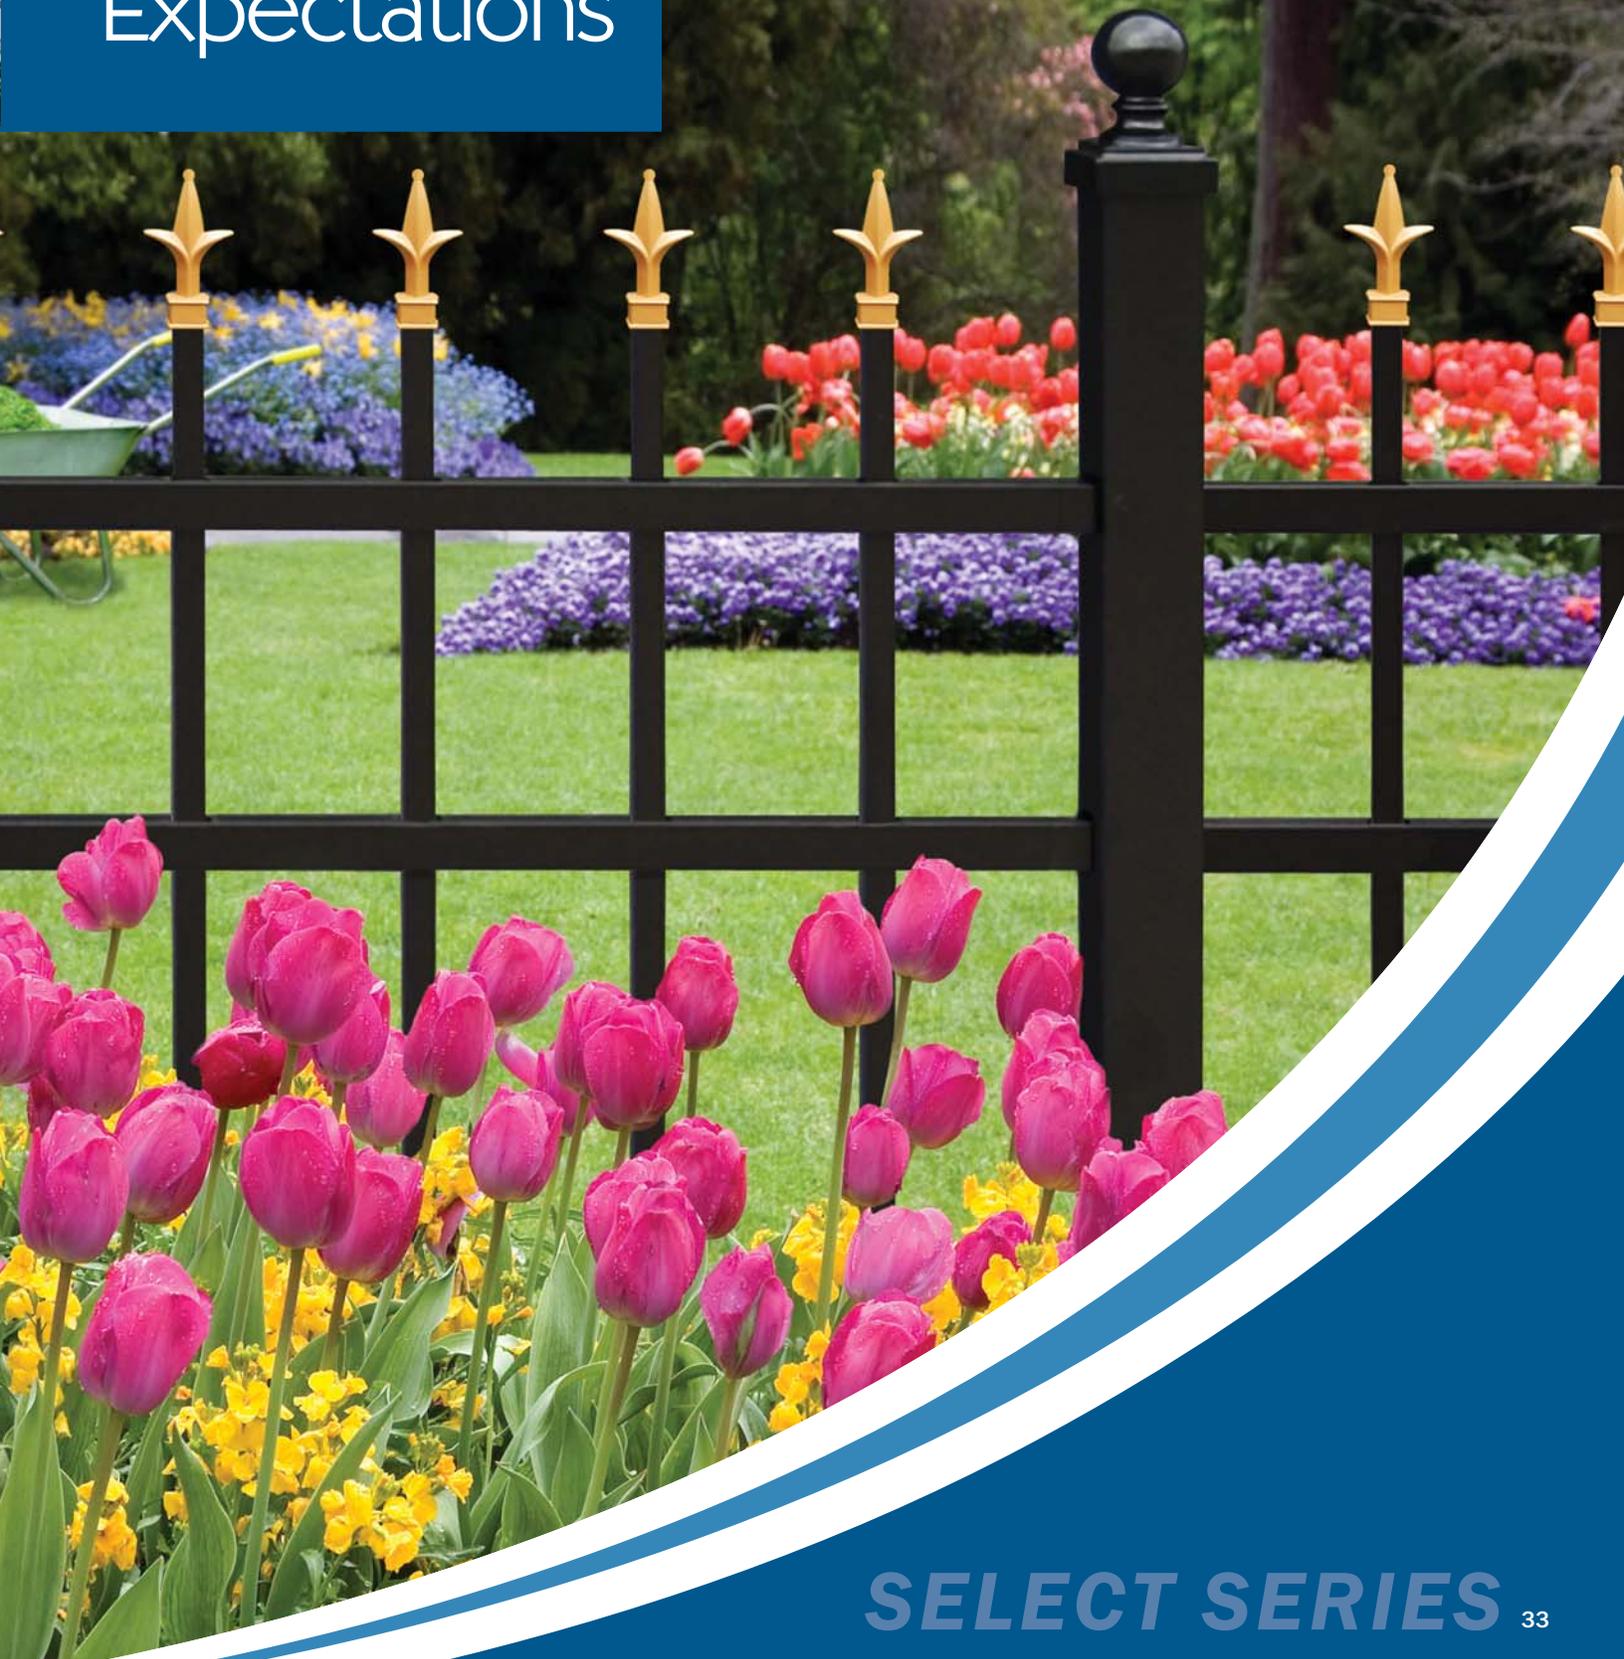

Xpanse® Select Series Aluminum Fence

Select Series Aluminum Fencing includes classic styling with residential strength. Select grade fencing is ideal for the more budget conscious consumers looking for high quality perimeter and pool aluminum fencing options.

FEATURES + BENEFITS

- **Limited Lifetime Warranty**

- **Screw-less panels give a clean and finished look**

- **ICC Pool Code Approved on many sizes**

- **High quality aluminum material**

- **Panels can slope on uneven terrain**
