Design Meets Need

About Northeast Kitchen Center

The kitchen division of Northeast opened in 1993 to meet the cabinet needs of the surrounding communities. Since then, our client base has expanded to serve all of Connecticut, Western Ma., and Westchester & Putnam counties in NY state. Our 27 years of experience in home remodeling, and new construction has provided homeowners and contractors quality cabinets and countertops designed to fit both lifestyle and budget.

Our experienced staff takes a consultative approach to the design process assisting you from conception to completion, ensuring you all the right choices.

We invite you to visit our new showroom showcasing the latest in cabinetry and countertop offerings. Northeast Kitchen Center specializes in designing cabinets for your kitchen, bathroom, home office, or media center. Cabinet installation is optional. Quotes provided upon request by one of our preferred, licensed contractors.

Call us to schedule a complimentary consultation to discuss your project. We look forward to working with you!

Elegant long lasting designs.

Design-Craft.

Bring tomorrow's trends to today's cabinetry with forward-thinking materials that push the boundaries of design technology, as well as finishes and styles ranging from traditional raised panel doors and classic stains to contemporary looks and cutting-edge finishes.

Every piece of cabinetry is built here in the United States with wood products sourced from sustainably-managed forests in California, Oregon, and Michigan.

Let's make your dream kitchen a reality!

Design-Craft's lifetime durability and space-saving frameless construction require less material, preserving more natural resources.

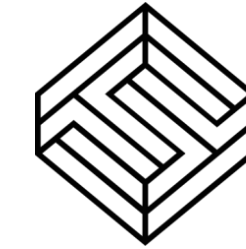

Express your individuality and create a space that showcases your unique taste—the only limit is your imagination.

Plain and Fancy Cabinetry

PLAIN
CUSTOM CABINETS
& FANCY

Founded in 1968 as a family owned business, Plain & Fancy continues to be run and owned by the Achey family today. Their family-centered mindset maintains top priority, allowing them to give back to the very same community that has supported them throughout their journey.

Whether it's traditional, contemporary or a blend of the two Plain and Fancy concentrate on the finer details that go into creating a signature look, just for you.

Concentrating on the finer details

Cabinets made especially for you!

There are an infinite number of materials, colors, and styles that can create a look that is uniquely you.

From contemporary to traditional, Plain and Fancy has a door to fit your style. Start to finish, every cabinet and door is custom built by their skilled craftsmen.

UltraCraft Cabinetry

ultracraft®
custom cabinets for life

UltraCraft offers a range of door styles and finishes, allowing you to create any look you can dream up – traditional to modern and every style in-between.

They are experts in providing you with the look and feel that you desire. Since their cabinetry offers up to 15% more usable space than manufacturers that rely on framed construction, you'll be able to fit more items into your existing footprint.
